

ENGINEERING POLYMER SPECIALISTS
PolymerTechnology & Services, LLC

SUBJECT: Directive 2002/95/EC of the European Parliament and of the council of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

With reference to Directive 2002/95/EC, we hereby declare that none of the following substances: lead, mercury, cadmium, hexavalent chromium, PBB (Polybromobiphenyl), and PBDE (Polybromodiphenylether) are intentionally added in the materials manufactured and sold by Polymer Technology and Services, LLC under the trademarks TRISTAR® Polycarbonate and TRILAC® ABS.

Furthermore, based on our knowledge of the manufacturing process and information provided by raw materials suppliers, we would do not expect these substances to be present in our final products in natural and black versions. Analyses for these chemicals are not routinely performed on these products.

Sincerely,

Tom Hooper
President
